90-202324-01 Addendum #1

Update to Specifications and Scope of Work (Section 5.1).

In addition to the Specifications and Scope of Work listed in Section 5.1 of RFP 90-2022324-01, please adhere to the following:

- Reinsulate all accessible copper lines going from the condensers to the evaporators.
- Apply UV coating on the exterior lines from the wall to the condenser.
- Contact Tyler Beacham at Schneider Electric to receive proposal for installation of the HVAC controls. Phone: 813-368-0492 Email: [tyler.beacham@se.com](mailto:tyler.beacham@se.com)
