

RE-ADVERTISEMENT FOR BIDS

Lewisville Lift Station Upgrades FB25312

North Carolina General Statute (N.C.G.S.) 143-132(a) requires a minimum of three competitive bids be received for formal construction and repair contracts. Three bids were not received on February 1, 2024. Should fewer than the required three bids be offered for formal projects advertised as N.C.G.S. 143-129 requires, the project may be re-advertised.

Therefore, pursuant to N.C.G.S. formal bidding laws, sealed bid proposals endorsed “**Lewisville Lift Station Upgrades, FB25312**” will be received by City/County Purchasing, Conference Room 16, 101 N. Main Street, Winston-Salem, NC until **2:00 PM, July 23, 2025**, at which time all bids will be publicly opened and read aloud. Three bids are not required at this second offering; as few as one valid bid may be opened and considered for award per NCGS 143-132.

The City reserves the right to waive any informalities in the bidding and to reject any or all proposals. Bidders are hereby notified that they must be properly licensed as required by Chapter 87 of the North Carolina General Statutes – at time of bid – to perform the work described herein as the general/prime contractor. Bid bond will be required at time of opening bids. Performance and Payment bonds will be required of the awarded contractor.

Compliance with the City/County Utility Commission's Minority and Women Business Enterprise program is required on this project. Please refer to the Special Instructions to Bidders contained in the Project Manual for the City's M/WBE program requirements and project subcontracting goals of **6% MBE** and **5% WBE**.

For M/WBE assistance, **and points towards your Good Faith Effort**, please contact Zachary Taylor at zacharyt@cityofws.org or 336-734-1237.

Bidding documents are available for download. Please email catherinek@cityofws.org for the link and for questions about bidding instructions.

With this re-advertisement, we are allowing for a short second question period. The End of Question Period is **5:00 pm, July 11, 2025**.

For technical questions regarding this project, submit questions **in writing only** (email) to: Olivia Kerss at olk@freese.com.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness, or sufficiency of any Bidding Documents obtained from any source other than the City of Winston-Salem. Obtaining these documents from any source may result in obtaining incomplete and inaccurate information, and may also result in failure to receive any addenda, corrections, or other revisions to the Bidding Documents that may be issued.
