THIS ADDENDUM IS REQUIRED TO BE RETURNED WITH SOLICITATION RESPONSE.

1. The Solicitation is hereby modified as follows:

Modification #	Solicitation Section	Current Solicitation Language	Updated Solicitation Language
1	4.4 Delivery Note 5	NCDOT will not provide help to driver for unloading, vehicle must be self-unloading, or vendor will unload the pipe themselves.	NCDOT will provide help to the driver with unloading, if needed, at the convenience of NCDOT.

2. The following are questions received about the Solicitation and the State's response to those questions:

Question #	Solicitation Section	Vendor Question	State's Response
1	4.4 Delivery Note 5	On page 10 of the bid - under delivery note 5. It states that all deliveries are to be self-unload and maintenance will not assist in unloading. Can this note 5 be amended/deleted to show that maintenance will at least assist in unloading by pushing the pipe off the trailer with a machine so that there is a level playing field on the bid?	Note 5 can be deleted or amended to show that maintenance will assist in unloading the pipe. We are tasked with sorting and stacking the material after the delivery, so assistance with unloading will not be an issue.
