REQUEST FOR BIDS

FOR THE CUMBERLAND COUNTY BOARD OF EDUCATION NONPROFIT CHILD NUTRITION PROGRAM

STANDARD TERMS AND CONDITIONS

A. Scope and Purpose

It is the intent of the SFA to contract with an interested party or parties to provide all labor, materials, and equipment necessary to provide commercial dishwashing machines for the Cumberland County School's nonprofit Child Nutrition Program.

The section titles contained in this Standard Terms and Conditions document are for convenience and reference only, and in no way define, describe, extend, or limit the scope or intent of the provisions of any section of this document.

Unless otherwise stated, any listing of factors or criteria in this document does not constitute an order of preference or importance.

The term "Contract," as used in this document, means the comprehensive collection of:

- a) this Standard Terms and Conditions document, including any attachments and or amendments thereto,
- b) the Item Specifications included in the RFB and any subsequent addenda thereto,
- c) the contractor's signed Proposal Certification, which must be completed, signed by an authorized representative of the offering entity, and returned with the contractor's response, along with this ENTIRE Terms and Conditions document and all other forms and information collection pages included with this RFB,
- d) the contractor's response to the RFB,
- e) the contractor's Notice of Award document, and
- f) any additional terms, conditions, or instructions issued by the SFA.

Collectively, these documents represent the entire agreement between the parties.

B. Contract Time Period

The time period for services covered by a Contract resulting from an award under this RFB is stated in the Proposal Certification. The SFA reserves the right to award the Contract to a vendor for a longer initial term period than the time period stated in the Proposal Certification if it is determined to be in the best interest of the SFA. Unless otherwise indicated in these Standard Terms and Conditions, all pricing will be firm throughout the entire contract period.

Upon mutual written agreement of both parties, this Contract may be extended beyond the expiration of the contract time period in accordance with the Standard Terms and Conditions document entitled "Extension Clause."

The transfer, assignment, or subcontracting of contracts is prohibited, and the contractor agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this RFB without the prior written consent of the SFA.

C. Addenda

In the event that any changes to this RFB occur subsequent to the mailing or other delivery of the original RFB, the changes or corrections to this Proposal request will be made by addendum, and any updated information contained in any addendum will prevail over the information contained in the original RFB or any previous addendum. Each addendum will be distributed to all entities that are known to have received a copy of this RFB. The SFA is the sole authority for the issuance of any addendum related to this RFB. Any communications from any person or entity other than the SFA regarding any matters related to this proposal are invalid and will have no influence on this RFB.

Each addendum must be acknowledged on the acknowledgement form provided with the addendum. Any required acknowledgement form must be submitted along with the submission of any proposal response.

D. Product Specifications

Catalog numbers, brand names, or manufacturer's product or reference numbers used in the item specifications are intended to be descriptive, not restrictive. These references, as well as "approved brands" listed, are intended to identify and indicate the type of product being sought, and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or model number references.

In most cases, proposals on brands of equivalent nature and quality will be considered, provided they are regularly produced products from a reputable manufacturer. However, in some cases, the SFA may find it advantageous to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these cases, preferences will be given to the specific products identified as "approved brands" especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or models are identified, it is preferable for the contractor to propose the exact item specified, in addition to an alternate brand or model where desired.

*If you discover or suspect error in the item specifications in this RFB, please note it as part of your proposal response.

E. Pricing

All "Line Item" bids must be for a specific price for the unit of measure specified for that item. The offeror is responsible for clearly noting any differences in proposed packaging and/or units of measure in the bid response, and the offeror shall understand that if the item in question is awarded to the offeror, the quantity specified for that item will be adjusted to achieve an approximately equivalent amount of the product.

In cases where another price is requested for comparison purposes (e.g., "portion price" or "price per ounce"), such price is for comparison purposes only. Purchases will be made in

the increments of the unit of measure specified. In the case of any discrepancy or error in comparison price calculations, the price for the unit of measure specified will prevail. Excessive errors in comparison price calculations will be sufficient grounds for rejection of the entire bid.

“Discount from Catalog” RFBs requires a single discount percentage to be applied to all items in the offeror’s published catalog, which must be supplied with the bid response.

“Cost Plus” bids will not be accepted unless otherwise requested in this RFB.

Proposed prices must be firm for acceptance for at least 90 days from the bid opening date, unless otherwise specified in this RFB or in the offeror’s response.

If during the term of the Contract, a successful offeror’s net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this RFB are reduced below the contracted price, it is understood and agreed that the benefits of such price reduction shall be extended to the SFA

F. Delivery and Transportation

Unless otherwise noted in the Request for Bids/Proposals or the Purchase Order, or unless prior approval has been obtained from the SFA, all services shall be performed between the hours of 7:30 A.M. and 2 P.M. Monday through Friday, except holidays.

Repeated failure to comply with the service schedule will constitute a breach of Contract by the vendor, and may result in the initiation of actions covered in this Standard Terms and Conditions document entitled “Remedies for Non-Performance of Contract”, and “Contract Termination” and the associated financial impacts attached thereto, as well as jeopardize any future business from the SFA.

G. Warranties

By submission of a proposal, the contractor warrants that he/she authorizes that all services proposed conform to the specifications for which they are being offered, and that all services supplied under any contract related to this RFB will be free from all defects in material, workmanship, and title.

A minimum of 90-days product guarantee or the manufacturer’s standard commercial warranty, whichever is greater, shall apply to all products purchased under this RFB. This warranty shall provide for replacement of defective merchandise from the SFA location and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise.

H. Insurance Requirements

Providing and maintaining adequate insurance coverage is a material obligation of the Contractor and is of the essence of this contract. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in North Carolina. The Contractor shall at all times comply with the

terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or this contract. The limits of coverage under each insurance policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the contract. Contractor shall submit prior to award of contract Certificates of Insurance for their Worker's Compensation and General Liability Insurance which outlines comprehensive, liability, and bodily injury coverage for each accident and person.

The Cumberland County Board of Education must be endorsed as an Additional Insured on the commercial general liability policy.

Insurance Coverage: During the term of the contract, the Contractor at their sole cost and expense shall provide commercial insurance of such type and with such terms and limits as may be reasonably associated with the contract. At a minimum, the Contractor shall provide and maintain the following coverage and limits:

- A. Workman's Compensation Statutory
Employers Liability \$500,000
- B. General Liability (per person/per occurrence):
 - 1. Bodily and Personal Liability \$1,000,000/\$2,000,000
 - 2. Property Damage \$1,000,000/\$2,000,000 Aggregate
- C. Automobile Liability (per person/per occurrence)
 - 1. Bodily Injury \$1,000,000
 - 2. Property Damage: \$1,000,000 Aggregate

Certificates of Insurance shall be filed with the Owner. During the term of the contract, the Contractor shall provide updated records whenever any of these coverages become outdated.

The certificate holder shall be named Attn: Child Nutrition Services, The Cumberland County Board of Education, P.O. Box 2357, Fayetteville, 28302.

I. General Indemnity

The Contractor shall save and hold harmless, pay on behalf of, protect, defend, and indemnify the SFA and the affiliated local education agency (including the Superintendent, the Board of Education, as well as its officers, agents, and employees) from and against any demand, claim, suit, loss, expense, or damage which may be asserted against any of them in their official or individual capacities by reason of any alleged damage to property, or injury to, or death of any person arising out of, or in any way related to, any action or inaction of the Contractor (including its officers, agents, and employees) in the performance or intended performance of this agreement, or the maintenance of any facility, or the operation of any program, which is the subject of, or is related to the performance of this agreement. The obligations of the Contractor pursuant to this paragraph shall not be limited in any way by any limitation in the amount or type of proceeds, damages, compensation, or benefits payable under any policy of insurance or self-insurance maintained by or for the use and benefit of the Contractor.

J. Proposal Evaluation and Award

The SFA reserves the right to waive any or all proposal irregularities, formalities, or other technicalities, to be the sole and independent judge of quality and suitability of any products

offered, and may accept or reject any proposals in its entirety, or may reject any part of any proposal without affecting the remainder of that proposal, and may award the individual items on this proposal in any combination or any way to best serve the interests of its members as it perceives those interests to be in its sole discretion.

It is not the policy of the SFA to purchase on the basis of low proposal price alone. All proposal items are subject to evaluation and approval by the SFA. In evaluating the proposals received and determining the best value for the SFA, the SFA may consider any combination of the following criteria: (1) the purchase price; (2) the extent to which the goods and/or services meet the needs of the SFA; (3) the vendor's level of prior experience and reputation performing the specified services; (4) the vendor's past performance with the SFA; (5) the warranties offered and the vendor's warranty service history; (6) the vendor's location, service, and delivery capabilities; (7) the probability of continuous availability of the goods and/or services offered; (8) the impact on the ability of the SFA to comply with any applicable laws or rules; (9) the total long-term cost to the SFA to acquire the vendor's goods and/or services; (10) packaging of the products and in some cases preference is given to a vendor who provides all the components relative to the complete package, and (11) any other relevant factor that a public or private entity could consider in selecting a vendor.

It is understood that the SFA may use all means at their collective disposal to evaluate the proposals received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the products and/or services offered to fit the needs of the SFA, will be made by the Child Nutrition Director, the SFA Purchasing Officer, the SFA Finance Officer and/or SFA designee.

The successful contractor(s) will be notified by "Notice(s) of Award" issued by the SFA.

The SFA reserves the right to require a performance bond as it is deemed necessary.

K. Regulatory Compliance

1. The contractor and SFA mutually agree to comply with all applicable standards, orders or requirements issued pursuant to Section 306 of the Clean Air Act (42 USC 1857 [h]), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 117389 and Environmental Protection Agency regulations (40 CFR Part 15). Any violations thereof shall be reported to the Administrator for Enforcement or other appropriate authority. Each party shall not be responsible to the other for acts beyond its control or acts caused by the negligence of the other party.
2. The contractor agrees to comply with all mandatory standards and policies relating to energy efficiency as cited in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94 – 163).
3. The contractor shall comply with Executive Order 11246, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations, 41 CFR Part 60.

15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-6, "Civil Rights Compliance and Enforcement in School Nutrition Programs".

7. The contractor shall complete and sign the *Certification of Independent Price Determination* form; *Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion* form; and the *Certification for Contracts, Grants, Loans, and Cooperative Agreement regarding Lobbying Form* and shall include these documents as part of the Agreement. (See Attachments)
8. The contractor shall comply with the Iran Divestment Act and Divestment from Companies Boycotting Israel. No contract may be entered into with a restricted company as listed by the State Treasurer in accordance with N.C.G.S. Chapter 147, Articles 6E or 6G, except as permitted by those laws. By entering into this contract ("Contract") and providing materials, equipment or services described in the Contract (the "Work"), Contractor acknowledges and represents that it is not a restricted company as defined in N.C.G.S. Chapter 147, Articles 6E or 6G.
9. Contractor shall comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes to verify the work authorization of each employee, including the use of the e-Verify.gov. Further, if Contractor utilizes a subcontractor, Contractor shall require the subcontractor to comply with the requirements of Article 2 of Chapter 64 of the General Statutes.
10. The contractor, its subcontractors and suppliers, shall abide by all applicable State and Federal laws, policies of the State Board of Education, and policies of the Cumberland County Board of Education when providing services under this Contract.

L. Withdrawal or Modification of Proposal

Subject to the restrictions discussed below, the SFA will consider a WRITTEN request from any contractor that the proposal be allowed to be withdrawn, but ONLY IN ITS ENTIRETY, and ONLY UNTIL THE DUE DATE AND TIME FOR PROPOSAL SUBMISSION as stated in the Proposal Certification included with this RFB. A representative of the offering entity who is authorized to enter into contracts on behalf of the offering entity must manually sign any request for the withdrawal of any bid in ink, and the person signing the request must indicate his/her title along with his/her signature. No proposal may be withdrawn after the date and time that proposals are due as specified in the Proposal Certification. Only proposals that have been submitted consistent with the instructions relating to packaging and labeling of the proposal will be considered for withdrawal.

If there is any question in the mind of the SFA regarding the identity of the proposal or the identity of the offer relation to any request for the withdrawal of any proposal, the SFA will refuse to allow the withdrawal of the proposal. Withdrawal of any proposal allowed by the SFA will require the completion and signature of a written receipt by the contractor's representative satisfactory to the SFA before the proposal will be released. The decision of the SFA in relation to any matters concerning proposal withdrawal will be final.

If a contractor requests to withdraw a proposal and the SFA allows the withdrawal of the proposal, the contractor may resubmit the proposal, or submit a new proposal, up until the due date and time for proposal submission as stated in the Proposal Certification included with this RFB, provided any new submission meets all the qualifications of proposal submission included in these Standard Terms and Conditions.

If a contractor resubmits a proposal that was withdrawn and makes changes to any document in the proposal package, an authorized agent of the offering entity must initial all alterations made to any proposal document.

All proposals in possession of the SFA at the time bids are due shall be deemed final, conclusive, and irrevocable, and no proposal shall be subject to withdrawal, amendment, or correction after the due date and time for proposal submission as stated in the Proposal Certification included with this RFB.

M. Substitutions

The SFA will not accept any substitutes after items(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the SFA, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the SFA will constitute a breach of contract by the vendor which may result in the initiation of actions covered in this Standard Terms and Conditions document entitled “Remedies for Non-Performance of Contract, and Contract Termination” and the associated financial impacts attached thereto, and may jeopardize any future business from the SFA.

N. Deviations from Item Specification or Standard Terms and Conditions

Any and all limitations, expectations, qualifications, special conditions, or deviations from these Standard Terms and Conditions or any of the item specifications, including the offering of any alternate to the “approved brand and/or model” (where identified) must be clearly noted in detail by the contractor at the time of submission of the proposal. The absence of such limitations, exceptions, qualifications, special conditions, or deviations being submitted in writing with the contractor’s response will hold the contractor accountable to the SFA to perform in strict accordance with all these Standard Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the proposal response may place the contractor at a competitive disadvantage or otherwise prevent the SFA from considering the affected items(s).

Any deviation from any of the item specifications, including the delivery of any product other than the specific brand and model of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the vendor to the remedies identified in this Standard Terms and Conditions document entitled “Remedies for Non-Performance of Contract, and Contract Termination” and may jeopardize future business from the SFA.

O. Contract and Purchase Order Requirements

A response to the RFB is an offer to contract with the SFA based upon the Item Specifications and the Standard Terms and Conditions contained in the RFB. Offers do not become contracts unless and until they are both accepted by the SFA through an Award Notice to the contractor,

and put into effect by the issuance of a Purchase Order(s) signed by an authorized representative of the SFA.

This contract shall collectively include (1) the Standard Terms and Conditions and the Item Specifications included in the RFB and any subsequent addenda thereto, (2) the contractor's signed Proposal Certification and any subsequent addenda thereto, (3) the contractor's entire response to the RFB, (4) the contractor's Notice of Award document, (5) and any additional terms, conditions, or instructions contained in each individual Purchase Order. All the binding agreements should be submitted as part of the proposal packet. The contract shall be interpreted by and governed under the laws of the State of North Carolina.

All Invoices must reflect (a) the name and address of the vendor, (b) the name and address or delivery location of the receiving entity, (c) the appropriate Purchase Order Number, and (d) detailed descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, etc., and must include a properly signed copy of the delivery receipt. Invoices must be mailed directly to the SFA.

Notwithstanding the above, the payments stated on each individual Purchase Order will be the controlling factor in the determination of payment terms. Each Invoice should include the vendor's normal payment terms in the event that any Purchase Order fails to address the subject.

In any case, payment will be made only after services have been satisfactorily completed and equipment is left in good order, including the necessary documentation indicated above, and only after receipt of a correct Invoice from the vendor, including the necessary information indicated above.

At the option of the SFA, invoices with incorrect prices or other errors or inconsistencies will not be paid until corrected, whether by credit memo(s) or issuance of a corrected invoice. At the option of the SFA, invoices may be corrected upon receipt and payment may be made based upon their corrections.

P. Remedies for Non-Performance of Contract, and Termination of Contract

If the vendor cannot comply with the terms and conditions in fulfilling its Contract as anticipated, the vendor must supply the same products or services contracted from other sources at the contract price. The vendor's delay in the above will constitute the vendor's material breach of contract, whereupon the SFA may terminate the vendor's contract for cause as provided by the remainder of this section.

Unless this Contract is extended by mutual agreement of the parties beyond the expiration of the contract time period as stated on the Proposal Certification, this Contract shall terminate upon the expiration of the contract term as stated on the Proposal Certification.

If any delay or failure of performance is caused by a Force Majeure event as described in the Standard Terms and Conditions document entitled "Force Majeure," the SFA may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided for within the Standard Terms and Conditions of this document, this Contract may be terminated in whole or in part by either party in the event of substantial

failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given 1). at least thirty (30) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and 2). an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this Contract will include, but are not limited to:

- a) the vendor's failure to adhere to any of the provisions of the Standard Terms and Conditions of this RFB,
- b) the vendor delivering any product(s)/services(s) that fail to meet the Item Specifications included in this RFB relating to the awarded product(s)/service(s)
- c) the vendor delivering any substitution(s) of product(s)/service(s) different than those originally proposed and awarded without the prior written approval of the SFA,
- d) the vendor's failure to meet the required delivery schedules as identified in the contract documents, or
- e) the vendor's violation of any other provision contained within these Standard Terms and Conditions or any attachment thereto which provides for contract termination as a remedy.

Notwithstanding anything contained in this section, in the event of the vendor's breach of any provision in this contract, the SFA reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of its members, including, but not limited to, the purchase of other products of like type and quality from other sources in the open market. In the event the SFA elects to purchase other products/services from other sources, the SFA will invoice the vendor for any increased costs to the SFA, and the vendor agrees, by submission of a proposal response, to promptly pay any such charges invoiced.

In the event the SFA terminates this Contract, in whole or in part, for any reason provided for within the contract, the SFA reserves the right to award the canceled Contract, or any portion thereof, to the next lowest or most responsible contractor as it deems such award to be in the best interest of the SFA.

Any Contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future bid from the defaulting vendor.

In the performance of this contract, time is of the essence and these Standard Terms and Conditions are of the essence.

Q. Force Majeure Consideration

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the vendor's industry equally and are not actions taken solely against the vendor; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this Contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of

the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be excused for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

The SFA will not be responsible for any costs incurred by the vendor because of the Force Majeure event unless the SFA has requested, in writing, that the vendor incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the SFA has agreed in writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the vendor's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the SFA shall have the option to terminate this contract in accordance with the Standard Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination." Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the SFA's rights as provided elsewhere in this contract.

R. Termination Without Cause

The SFA and the Contractor may terminate this contract without cause. Written notice of termination must be sent via certified U.S. mail no later than thirty (30) days before termination date.

S. Records Retention Requirements

By signing this proposal, the contractor understands that the SFA, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to the specific contract, for the purpose of audits, examinations, excerpts, and transcriptions. The contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. The provisions herein are not intended to limit access to records under other relevant N.C. and Federal regulations, such as North Carolina Public Records Law.

Additionally, the contractor must provide all documents as necessary for the independent auditor to conduct the SFA's single audit. The SFA will contract to have the single audit conducted as a regular, direct expense to the SFA; Child Nutrition funds may not be used for this purpose.

The contractor must retain pertinent records broken down by source, type, and category of beverages for a minimum of three years after the SFA makes final payments. In the event of any unresolved audit findings, the records shall be retained beyond the three (3) year period for as long as required for resolution of the issues raised by the audit.

T. Venue

This agreement will be construed and governed according to the laws of the State of North Carolina. Both parties agree that venue for any litigation arising from this contract shall lie in Cumberland County, North Carolina.

U. Waiver

No claims or rights arising out of a breach of this Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

V. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform he may demand that the other party give a written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

W. Extension Clause

This contract may be extended annually for up to four (4) additional years from the expiration of the Contract period, unless sooner terminated in accordance with the provisions of this Contract, if the vendor and the SFA mutually agree, and no increases in costs are incurred, and the maximum allowable escalation price is capped by the annual national consumer price index increase.

X. Proposal Acceptance

The period for acceptance of this proposal will be thirty (30) calendar days unless a different period is indicated by the contractor.

Y. Protest Procedure

Protests of awards exceeding \$10,000 in value must be submitted to the issuing Agency at the address given on Page 1 of this document. Protests must be received in this office within 10 calendar days from the date of the Contract award and provide specific reasons and any supporting documentation for the protest.

Z. Criminal Background Checks

The Vendor shall conduct criminal background checks on each of its employees who, pursuant to this Agreement, engage in any services on The Cumberland County Board of Education property or at The Cumberland County Board of Education events. The Vendor shall provide documentation that criminal background checks were conducted on each of its employees prior to hiring, and shall refuse employment to any person convicted of a felony or any other crime, whether misdemeanor or felony, that indicates the person poses a threat to the physical safety of students, school personnel or others. Such check shall include an annual check of the State Sex Offender and Public Protection Registration Program, the State Sexually Violent Predator Registration Program, and the National Sex Offender Registry. Vendor shall not assign any employee or agent to provide services pursuant to this contract if (1) said worker appears on any of the listed registries; (2) said worker has been convicted of a felony; (3) said worker has been convicted of any crime, whether misdemeanor or felony, involving sex, violence, or drugs; or (4) said worker has engaged in any crime or conduct indicating that the worker may pose a threat to the safety or well-being of student or school personnel. The Cumberland County Board of Education reserves the right to prohibit any individual employee of Vendor from providing services on The Cumberland County Board of Education property or at The Cumberland County Board of Education events if The Cumberland County Board of Education determines, in its sole discretion, that such employee poses a threat to the safety or well-being of students, school personnel or others.

Lunsford Act. Contractor acknowledges that N.C.G.S. 14-208.18 prohibits anyone required to register as a sex offender from knowingly being present upon the premises of any school, and Contractor shall ensure that neither Contractor, its subcontractors, nor its suppliers shall allow any person registered as a sex offender to come on or about the premises of any subject school in any manner or for any reason related to the Work or the Contract.

Sex Offender Registries; Ban on Direct Interaction with Children. Contractor shall conduct annual checks of the State Sex Offender and Public Protection Registration Program, the State Sexually Violent Predator Registration Program, and the National Sex Offender Registry for all employees or contracted personnel whose work requires or may result in direct interaction with students, including but not limited to any employee or contracted worker whose job duties include: (1) delivering services directly to students; or (2) performing tasks on or delivering products to school property. No employee or contracted personnel of Contractor registered with the State Sex Offender and Public Protection Registration Program, the State Sexually Violent Predator Registration Program, or the National Sex Offender Registry may have direct interaction with children. See Board Policy 5022, “Registered Sex Offenders.”
