

Request for Qualifications for Special Inspections & Construction Materials Testing

February 20, 2024

Project Description

Stanly County is soliciting responses from qualified firms licensed in North Carolina to provide Special Inspections and Construction Materials Testing to the County during a multi-phase construction project associated with the construction of a new Emergency Management Training Center and 911/EOC Center located adjacent to the County's Airport facility on Airport Road, New London, North Carolina.

Services and tasks may include, but are not limited to, the following:

- Soils evaluation and testing
- Earthwork monitoring and testing
- Fill placement observations and compaction testing including backfill at retaining walls
- Cast-In-Place concrete inspection and testing
- Rammed aggregate pier inspection and testing
- Asphalt placement/thickness observations
- Masonry inspections and testing
- Foundation construction monitoring
- Reinforcing steel inspection
- Structural steel framing inspections
- Composite metal floor deck and shear stud inspections
- Metal roof deck inspections
- Spray applied fireproofing and intumescent paint testing and inspections
- Other construction services as requested

Qualification Package Evaluation Criteria

Qualifications packages will be evaluated on the firm's ability to meet the requirements of this RFQ. Special emphasis will be placed on the proposed team's experience and qualifications.

Evaluation criteria are as follows:

- Firm and individual experience with new construction materials testing
- Quality and timeliness of past similar projects
- Qualifications, certifications, abilities, availability and geographic location of the key individuals
- References and previous project relevance
- Qualifications package responsiveness, appearance, and presentation

SOQ Requirements

Firms that are interested in providing the requested services to Stanly County are invited to submit a Statement of Qualifications (SOQ), in electronic format only, to Andy Lucas at alucas@stanlycountync.gov.

Each firm is solely responsible for the timely delivery of its SOQ. All SOQ packages must be delivered by 5:00 pm local time on March 1, 2024. No qualification packages will be accepted after this deadline. Firms accept all risk of late delivery regardless of fault.

The SOQ package should be no more than **15** pages in length.

Please identify a contact person for questions during the RFQ process and provide contact information including telephone number, email, and postal address.

Terms and Conditions

The following terms and conditions apply to this RFQ:

1. All responses shall become the property of the County.
2. Due care and diligence has been exercised in the preparation of this RFQ and all information contained herein is believed to be substantially correct. However, the responsibility for determining the full extent of the services rests solely with those making responses. Neither the County nor its representatives shall be responsible for any error or omission in this response, nor for the failure on the part of the respondents to determine the full extent of their exposures.
3. The County reserves the right to select the vendor from the responses received; to waive any or all informalities and/or irregularities; to re-advertise with either an identical or revised scope, or to cancel any requirement in its entirety; or to reject any or all proposals received.
4. A response to this RFQ does not constitute a formal bid; therefore, the County retains the right to contact any/all proposing vendors after submittal in order to obtain supplemental information and/or clarification in either oral or written form. Furthermore, an explicit provision of this RFQ is that any oral communication made is not binding on the County's proposal process.
5. The County will not be liable for, nor pay for any costs incurred by responding vendors relating to the preparation of any proposal for this RFQ.
6. Acceptance will be defined as the County selecting you as our provider of service for the intent of negotiating a contract for services.
7. It is the intent of the County that after the successful Vendor has been selected, the County and the selected vendor will enter into contract negotiations containing all terms and conditions of the proposed service. Any acceptance of a proposal is contingent upon the execution of a written contract and the County shall not be contractually bound to any bidder prior to the execution of such written contractual agreement. The contents of the bid submitted shall become part of the contractual obligation and incorporated by reference into the ensuing contract. The contract with a successful vendor may include penalties for non-performance and failure to meet the proposal implementation schedule.

This *Schedule of Special Inspections* includes the following building systems:
