Other than through the process of negotiation under [01 NCAC 05B.0503](#), UNC Asheville rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor's proposal. However, under no circumstances shall price information be designated as confidential.

If the Vendor does not provide a redacted version of the proposal with its proposal submission, the Department may release an unredacted version if a record request is received.

3.0 METHOD OF AWARD AND PROPOSAL EVALUATION PROCESS

3.1 METHOD OF AWARD

[North Carolina G.S. 143-52](#) provides a general list of criteria the State shall use to award contracts, as supplemented by the additional criteria herein. The Goods or Services being procured shall dictate the application and order of criteria; however,

Proposal Number: 64-828 Vendor: _____

all award decisions shall be in UNC Asheville's best interest. All qualified proposals will be evaluated, and awards will be made to the Vendor(s) meeting the specific RFP Specifications and achieving the highest and best final evaluation, based on the criteria described below.

While the intent of this RFP is to award a Contract to a single Vendor for all line items, UNC Asheville reserves the right to make separate awards to different Vendors for one or more line items, to not award one or more line items or to cancel this RFP in its entirety without awarding a Contract, if it is considered to be most advantageous to UNC Asheville to do so.

UNC Asheville reserves the right to waive any minor informality or technicality in proposals received.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

While this RFP is under evaluation, the responding Vendor, including any subcontractors and suppliers, is prohibited from engaging in conversations intended to influence the outcome of the evaluation. See the Paragraph 28 of the [Instructions To Vendors](#) entitled **COMMUNICATIONS BY VENDORS**.

Each Vendor submitting a proposal to this RFP, including its employees, agents, subcontractors, suppliers, subsidiaries and affiliates, is prohibited from having any communications with any person inside or outside the using agency; issuing agency; other government agency office or body (including the purchaser named above, any department secretary, agency head, members of the General Assembly and Governor's office); or private entity, if the communication refers to the content of Vendor's proposal or qualifications, the content of another Vendor's proposal, another Vendor's qualifications or ability to perform a resulting contract, and/or the transmittal of any other communication of information that could be reasonably considered to have the effect of directly or indirectly influencing the evaluation of proposals, the award of a contract, or both.

Any Vendor not in compliance with this provision shall be disqualified from evaluation and award. A Vendor's proposal may be disqualified if its subcontractor and/or supplier engage in any of the foregoing communications during the time that the procurement is active (*i.e.*, the issuance date of the procurement until the date of contract award or cancellation of the procurement). Only those discussions, communications or transmittals of information authorized or initiated by the issuing agency for this RFP or inquiries directed to the purchaser named in this RFP regarding requirements of the RFP (prior to proposal submission) or the status of the award (after submission) are excepted from this provision.

3.3 PROPOSAL EVALUATION PROCESS

UNC Asheville shall review all Vendor responses to this RFP to confirm that they meet the specifications and requirements of the RFP. UNC Asheville reserves the right to waive any minor informality or technicality in proposals received. Only responsive submissions will be evaluated.

UNC Asheville will conduct a One-Step evaluation of Proposals:

Proposals will be received according to the method stated in the Proposal Submittal Section above.

All proposals must be received by the issuing agency not later than the date and time specified in the [RFP SCHEDULE \(Section 2.3\)](#) above, unless modified by Addendum. Vendors are cautioned that this is a request for offers, not an offer or request to contract, and UNC Asheville reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of UNC Asheville.

At the date and time provided in the [RFP SCHEDULE \(Section 2.3\)](#) above, unless modified by Addendum, the proposal from each responding Vendor will be accessed via the [eVP](#) and all offers (except those that have been previously withdrawn, or voided bids) will be noted. Since negotiations after receipt of bids is authorized pursuant to [G.S. 143-49](#)

[and 01 NCAC 05B.0503](#), only the names of offerors and the Goods and Services offered shall be noted at the time of opening. Interested parties are cautioned that proposals and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's final position.

At their option, the evaluators may request oral presentations or discussions with any or all Vendors for clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not. Therefore, all proposals should be complete and reflect the most favorable terms available from the Vendor.

Upon completion of the evaluation process, UNC Asheville will make award(s) based on the evaluation and post the award(s) to the electronic Vendor Portal (eVP), [North Carolina electronic Vendor Portal](#), under the RFP number for this solicitation. Award of a Contract to one Vendor does not mean that the other proposals lacked merit, but that, all factors considered, the selected proposal was deemed most advantageous and represented the best value to UNC Asheville.

UNC Asheville reserves the right to negotiate with one or more vendors, or to reject all original offers and negotiate with one or more sources of supply that may be capable of satisfying the requirement, and in either case to require Vendor to submit a [Best and Final Offer \(BAFO\)](#) based on discussions and negotiations with UNC Asheville.

3.4 EVALUATION CRITERIA

BEST VALUE: "Best Value" procurement methods are authorized by [N.C.G.S. §§143-135.9](#) and [143B-1350\(h\)](#). The award decision is made based on multiple factors, including: total cost of ownership, meaning the cost of acquiring, operating, maintaining, and supporting a product or service over its projected lifetime; the evaluated technical merit of the Vendor's offer; the Vendor's past performance; and the evaluated probability of performing the specifications stated in the solicitation on time, with high quality, and in a manner that accomplishes the stated business objectives and maintains industry standards compliance. The intent of "Best Value" procurement is to enable Vendors to offer and the Agency to select the most appropriate solution to meet the business objectives defined in the solicitation and to keep all parties focused on the desired outcome of a procurement.

A ranking method of source selection will be utilized in this procurement using evaluation criteria listed in order of importance in the EVALUATION METHOD section below to allow UNC Asheville to award this RFP to the Vendor(s) providing the Best Value and recognizing that Best Value may result in award other than the lowest price or highest technically qualified offer. By using this method, the overall ranking may be adjusted up or down when considered with, or traded-off against, other non-price factors.

EVALUATION METHOD: Narrative and by consensus of the evaluating committee, explaining the strengths and weaknesses of each proposal and why the recommended awardee(s) provide the best value to UNC Asheville.

In addition to the general criteria in [G.S. 143-52](#) which may or may not be relevant to this RFP, all qualified proposals will be evaluated, and award made based on considering the following criteria listed in descending order of importance, to result in an award most advantageous to UNC Asheville:

1. Pricing ([ATTACHMENT A: PRICING FOR SPECIFIED EQUIPMENT](#))
2. Vendor Qualifications
3. Vendor References ([ATTACHMENT E: CUSTOMER REFERENCE FORM](#))

3.5 PERFORMANCE OUTSIDE THE UNITED STATES

Vendor shall complete [ATTACHMENT F: LOCATION OF WORKERS UTILIZED BY VENDOR](#). In addition to any other evaluation criteria identified in this RFP, UNC Asheville may also consider, for purposes of evaluating proposed or actual contract

performance outside of the United States, how that performance may affect the following factors to ensure that any award will be in the best interest of UNC Asheville:

- a) Total cost to UNC Asheville
- b) Level of quality provided by the Vendor
- c) Process and performance capability across multiple jurisdictions
- d) Protection of UNC Asheville’s information and intellectual property
- e) Availability of pertinent skills
- f) Ability to understand UNC Asheville’s business requirements and internal operational culture
- g) Particular risk factors such as the security of UNC Asheville’s information technology
- h) Relations with citizens and employees
- i) Contract enforcement jurisdictional issues

3.6 INTERPRETATION OF TERMS AND PHRASES

This RFP serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by UNC Asheville; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. The use of phrases such as “shall,” “must,” and “requirements” are intended to create enforceable contract conditions. In determining whether proposals should be evaluated or rejected, UNC Asheville will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy UNC Asheville’s needs as described in the RFP. Except as specifically stated in the RFP, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in UNC Asheville exercising its discretion to reject a proposal in its entirety.

3.7 HUB PARTICIPATION

Pursuant to North Carolina General Statute [G.S. 143-48](#), it is State policy to encourage and promote the use of small, minority, physically handicapped, and women contractors in purchasing Goods and Services. As such, this RFP will serve to identify those Vendors that are minority owned or have a strategic plan to support UNC Asheville’s Historically Underutilized Business program by meeting or exceeding the goal of 10% utilization of diverse firms as 1st or 2nd tier subcontractors. Vendor shall complete [ATTACHMENT D: HUB SUPPLEMENTAL VENDOR INFORMATION](#).

3.8 REFERENCES

Vendors shall provide at least three (3) references, using [ATTACHMENT E: CUSTOMER REFERENCE FORM](#), for which your company has supplied the exact model of equipment offered. UNC Asheville may contact these users to determine the quality level of the offered equipment; as well as, but not limited to user satisfaction with Vendor performance. Information obtained may be considered in the evaluation of the proposal.

3.9 VENDOR’S REPRESENTATIONS

Vendor warrants that qualified personnel shall provide services under this Contract in a professional manner. “Professional manner” means that the personnel performing the services will possess the skill and competence consistent with the prevailing business standards in the industry.

If the Vendor’s proposal results in an award, Vendor agrees that it will not enter any agreement with a third party that may abridge any rights of UNC Asheville under the Contract. If any Services, deliverables, functions, or responsibilities not specifically described in this solicitation are required for Vendor’s proper performance, provision and delivery of the Service and deliverables under a resulting Contract, or are an inherent part of or necessary sub-task included within such service, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the Contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the Services and/or other Deliverables.

3.10 FINANCIAL STABILITY

As a condition of contract award, the Vendor must certify that it has the financial capacity to perform and to continue to perform its obligations under the Contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of this Contract; and that entering into this Contract is not prohibited by any contract, or order by any court of competent jurisdiction.

Each Vendor shall certify it is financially stable by completing the [ATTACHMENT G: CERTIFICATION OF FINANCIAL CONDITION](#). UNC Asheville is requiring this certification to minimize potential performance issues from Contracting with a Vendor that is financially unstable. This Certification shall be deemed continuing, and from the date of the Certification to the expiration of the Contract, the Vendor shall notify UNC Asheville within thirty (30) days of any occurrence or condition that materially alters the truth of any statement made in this Certification.

3.11 AGENCY INSURANCE REQUIREMENTS MODIFICATION

A. Default Insurance Coverage will be provided by the Purchasing Agency from the General Terms and Conditions applicable to this Solicitation:

- Small Purchases
- Contract value in excess of the Small Purchase threshold, but up to \$1,000,000.00
- Contract value in excess of \$1,000,000.00

4.0 REQUIREMENTS

This Section lists the requirements related to this RFP. By submitting a proposal, the Vendor agrees to meet all stated requirements in this Section, as well as any other specifications, requirements, and terms and conditions stated in this RFP. If a Vendor is unclear about a requirement or specification, or believes a change in a requirement would allow for UNC Asheville to receive a better proposal, the Vendor is encouraged to submit these items in the form of a question during the question-and-answer period in accordance with the [PROPOSAL QUESTIONS \(Section 2.4\)](#) above.

The purpose of this Contract is to facilitate the acquisition of **one (1) aerial lift (bucket) truck for the department of Campus Operations** for the University, in accordance with the requirements and specifications outlined herein. Specifications of the vehicle to be provided under this Contract are listed in [SPECIFICATIONS / EQUIPMENT LIST \(Section 5.2\)](#).

The scope of this Contract shall not be construed to restrict the Owner from taking any necessary actions to ensure the timely and cost-effective procurement and deployment of the campus operating vehicle. Such actions shall not relieve the Vendor of any obligations or responsibilities under this Contract.

Proposal Number: 64-828 Vendor: _____

The Vendor shall coordinate with UNC Asheville for delivery and any required on-site setup during the hours of 7:00 a.m. to 5:00 p.m., Monday through Friday, and 1:00 p.m. to 9:00 p.m. on Saturdays. Saturday delivery hours are provided for convenience and shall not incur additional charges.

4.1 PRICING
